

Checklist for the application of international nurses to the UKM

Applicants with a professional qualification as a nurse acquired abroad are very welcome to apply to work in nursing at the UKM. We support you with the recognition process in the nursing profession and would be very pleased if you work as a nurse at the UKM afterwards.

The following documents are required for the application:

- Cover letter
- Resume
- Identity card or passport / copy
- Certificates and documents of nursing education in original and as a certified translation into german / copy
- Work references in original and into German translation (if available) / copy
- German B1 language certificate (Goethe Institute or TELC)
- Certification of the district government of Münster to check the equivalence of the occupation in nursing / copy
- Evidence of vaccination (measles, hepatitis B and Covid-19) / copy
- Residence and work permit for Germany (if available) / copy
